

PROOF POSITIVE DOG TRAINING

Presents
Renee King's
CONTACT CLINIC

"But he does it perfect at practice!"

How many times have we said or heard this?! How do people get such nice 2 on 2 off contacts at trials? How do I train them, retrain them, keep them, and get them faster? How should I start my puppy?

Learn all this and more at a Contact Clinic with Renee King!

When: Saturday February 27th at 3:00-7:00 pm

Where: Proof Positive Dog Training (424 N. Main Street Keller, TX)

Who: Anyone who has 2 on 2 off contacts they want to fix or wants to learn more about training them!

What: 10 "working spots" offered. Auditors welcome and **ENCOURAGED!** This will be a largely lecture/demo series with question and answer offered as well as actual analysis of working dogs and trouble shooting.

How much: \$65 working spot (limited to the first 10 enrollments received)
\$50 audit spot (unlimited but deadline for enrollment Feb 10)
